

DATA PORTABILITY REQUEST ('DPR') FORM

FOR COMPLIANCE WITH GDPR (MAINLY ARTICLE 20)

1. Data Portability Requests (DPRs) can be made for or on behalf of a Data Subject ("**You**") to a Data Controller, who the Data Subject reasonably believes may be processing personal data belonging to him/her. Subject to certain exceptions, DPRs allow *You* to have Personal Data transmitted to *You* or to another Data Controller. Data Controllers are not obliged to receive information following a DPR.
2. This portability right applies ONLY to Personal Data which has been processed by Hili Ventures Limited on the basis of the following grounds: **(1)** The processing of the Personal Data is based on *Your Consent*; **or** the processing of the Special Categories of Personal Data is based on *Your Explicit Consent*; **or** the processing of the Personal Data is **necessary for the performance of a contract** to which *You* are a party or in order to take steps at *Your* request prior to entering a contract; **AND (2)** the processing is carried out by automated means. The right applies only to personal data actively provided by *You* and personal data resulting from the observation of *Your* behaviour but not to personal data that is derived or inferred from *Your* use of services or inferred from *your* behaviour by the Controller.
3. Data Protection legislation caters for limitations and exceptions to the Portability Right. Prior to any disclosure resulting from an DPR the Controller must evaluate whether any such limitation or exception applies. Where exceptions are deemed to apply, *You* will be informed.
4. Personal data must be provided in a structured, commonly used and machine-readable format. This format aims for interoperability (not necessarily compatibility). Where this is not possible *You* will be informed.
5. The DPR is at no cost to *You*. However, if DPRs are manifestly unfounded or excessive the Controller has an option to charge a reasonable fee or refuse to act upon the request.
6. The Data Controller may request *You* to provide information to verify *Your* identity. The Data Controller may request *You* to provide more granular information to facilitate the sourcing of personal data which *You* believe may be processed by the Data Controller.
7. A Data Controller must provide information on action taken following a DPR without undue delay and in any event within one (1) month of receipt of the request. This may be extended for a further two (2) months where necessary – in which case *You* will be informed.
8. Once Personal Data is transmitted by Hili Ventures Limited to *You* (or to another Controller on *Your* request), Hili Ventures Limited no longer remains responsible for the security and further processing of *Your* Personal Data. **YOU ARE REMINDED TO TAKE ALL REASONABLE ORGANISATIONAL AND SECURITY MEASURES TO SECURE LAWFUL PROCESSING OF THE PERSONAL DATA AND TO ENSURE THAT THE OTHER CONTROLLER UNDERSTANDS ITS OBLIGATIONS AT LAW.**
9. *You* have the right to lodge a complaint with the supervisory authority.
